Testimonials

"During the 5.5 years that Jeffrey and I have worked together he has been not only a mentor, problem solver but also a confidant /adviser to myself and the rest of the team. His knowledge is often sought out on various matters – large and small and greatly appreciated".

E.M

"From the very beginning Jeffrey has always been a great mentor to me and if it wasn't for him, I would not be where I am today. Jeffrey puts a lot of heart and soul into his work and I'm constantly inspired by the amazing work he has completed".

Introduction

Beginning my career in outdoor education I was soon involved in the development of the first outdoor recreation qualifications. Resulting in 30 years' experience in a range of education roles.

Throughout my career I have increased my passion and engagement with education and have undertaken a range of paid and voluntary leadership positions. My experience and knowledge enable me to provide positive leadership and management within tertiary education.
